

WE OFFER EXTRA SERVICES

LAGUNA POOLS AND SPAS are able to offer you many extra services including; landscaping, excavation, pool fencing, carpentry, electrical and plumbing works. We work closely with an exclusive network of trades for a complete service that will not only ensure a smooth process but an extremely high quality finish.

EXPERT LANDSCAPING advice is key to the aesthetics and functionality of your pool and garden. Whether it's shade you're seeking, perennial colour, ground coverage or contemporary sculpture our landscaping team can work closely with you through the planning and building stages of your new Laguna Pool

SEAMLESS EXTENSION from your home to the pool area can be impeccably achieved with a beautiful deck designed around your new Laguna Pool. We work closely with our tradesman considering overall pool and landscape designs as well as the positioning of surrounding structures for a spectacular outdoor environment.

LIGHTING IS EVERYTHING! When you are not swimming in the pool, you will be looking out at it! We carefully design your lighting to compliment your home and outdoor entertaining area. The lighting will make your new Laguna Pool the feature and focus point of your garden, setting an inviting mood, evoking emotion and impressing your friends during every season of the year.

FENCING IS A LEGAL REQUIREMENT when purchasing your new Laguna Pool, it is usually undesirable and can be unattractive. Laguna Pools has a close relationship with glass suppliers, we can create beautiful, modern, seamless fencing, custom made for the shape of your pool and garden and most importantly keeping loved ones safe and sound.
